(hereinafter referred to individually as "a Party" or collectively as "the Parties").

PREAMBLE:

- (i) Having regard to the respective mandates of the Parties and taking note of the progress achieved so far in the exchange of information and expertise between the Parties;
- (ii) Considering that it is within the common interest of the Parties to enhance further their cooperation in certain areas, while avoiding duplication of efforts and overlaps in their respective activities and ensuring the best use of available resources.

Therefore, in consideration of the mutual interest above, the Parties have agreed the following.

1. PURPOSE:

The purpose of this Memorandum of Cooperation (MoC) is to provide for a framework of cooperation and determine specific working arrangements between the Parties as well as to establish a communication channel, with a view to effectively cooperate in matters of common interest, in particular the field of activities identified in this MoC, based on the principles common interest, reciprocity and complementarity.

2. SCOPE:

Cooperation between the Parties encompasses in particular, but is not limited to, the following areas:

- (i) Exchange of information with the intention of establishing a further Plan of Development for joint activities, namely a project to create common certification;
- (ii) The setting up of a special interest group, entitled 'European Forum for Dual Higher Education', to which CEDEFOP and the European Commission will also be invited;
- (iii) Further consultation of one another on matters of common interest.

3. LEGAL NATURE:

- (i) This MoC is a statement of intent and does not create any enforceable rights or obligations. The Parties will fulfil their tasks under this MoC on a best-effort basis;

- (ii) This MoC does not modify or supersede any European Union law or any national laws nor does it affect any provisions under other multilateral or bilateral agreements in force and applicable to the Parties.

4. IMPLEMENTATION:

This MoC will be implemented by mutual agreement and consultation (if/as necessary) between the Parties.

5. CONFIDENTIALITY:

Each Party will ensure that information received on the basis of this MoC will be treated in accordance with applicable laws and regulations governing the processing and release of information. Sharing of information shall safeguard the legitimate rights of third parties, including their Intellectual Property rights. When exchange of data that is not publicly available takes place, confidentiality requirements shall apply as foreseen in the Parties' founding legal acts or other relevant legislation and the Parties respect each other's confidentiality policy. Unauthorised use and processing of data provided by a third party for the benefit of another party shall not be allowed.

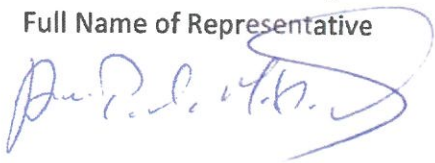

6. APPLICABILITY, AMENDMENT & TERMINATION:

- (i) The Parties will begin to cooperate under the framework of this MoC as of the last date of signature;
- (ii) This MoC may be amended at any time with the written consent of all Parties;
- (iii) Any party may drop out of this MoC following the provision of three (3) months' written notice to the other Parties.

IN WITNESS WHEREOF, the Parties have signed this MoC in two (2) original copies, one of which will be retained by the signatory party and the other collected by the project's lead partner, i.e. P1:
